

Frequently Asked Questions

Is the Coaching Club a “supervised practice” program?

No, it's a low commitment, high benefit social learning “club” designed to meet your goals as a player in a comfortable atmosphere.

Can I “drop-in” on a Coaching Hour to check it out?

Absolutely! Our drop in fee is designed to make it easy and reasonable , so you (and hopefully a friend) can check out our program or get a tip on a certain aspect of the game.

What should I expect during each class?

During each session we will discuss the topic of the class, then work with each player to get them to understand a feel the topic of the day. We will always be checking fundamentals to keep each player on track for improvement.
